WELCOME TO THE GALILEANS!

It is great to have you as a part of the Galilean program. Get ready to work hard, but at the same time get ready to have a lot of fun. In the coming years as you progress through the areas of advancement of the Galilean program, you are going to have the opportunity to become a better follower of Christ and a better leader of others.

This project will require some effort on your part, but anything of real value in life requires some work.

Even now as you begin the program, set before yourself the goal of reaching the highest area of advancement — that of becoming an *Ambassador*.

I am glad to be able to help you in your journey through this program by preparing this workbook for you.

As you work for the next several years, you will be asked to memorize some materials and some scriptures. You will also be asked to read certain books and stories. My hope is that this workbook will help you in completing these tasks.

I know that the Lord will bless you for your labors.

HOW THE GALILEAN PROGRAM WORKS

Since you are now old enough to become a Galilean, you have a wonderful opportunity for growth in your spiritual life. But to grow spiritually there are certain things that are needed — just as there are certain things needed to grow physically.

We all know that if we are to grow physically we must have food, water, exercise, etc. If we are to grow spiritually we must have Bible study (spiritual food), prayer, personal service, and witnessing.

The Galilean program is set up to provide you with the study and service that can bring about spiritual growth.

As you go through the program, you will advance through six areas. After meeting the first set of requirements, you will be a *TYRO*. As you meet other requirements, you will become a *FELLOW*, a *FOLLOWER*, a *DISCIPLE*, a *HERALD*, and finally an *AMBASSADOR*. After completing the requirements to become an *AMBASSADOR* you will be eligible to become a *STEWARD*.

In each area of advancement you will be required to do some work in such areas as: the church, Bible study, missions, Christian witness, and personal service.

In each division of this workbook these areas of work will be indicated as follows:

THE CHURCH

BIBLE STUDY

MISSIONS

CHRISTIAN WITNESS

PERSONAL SERVICE

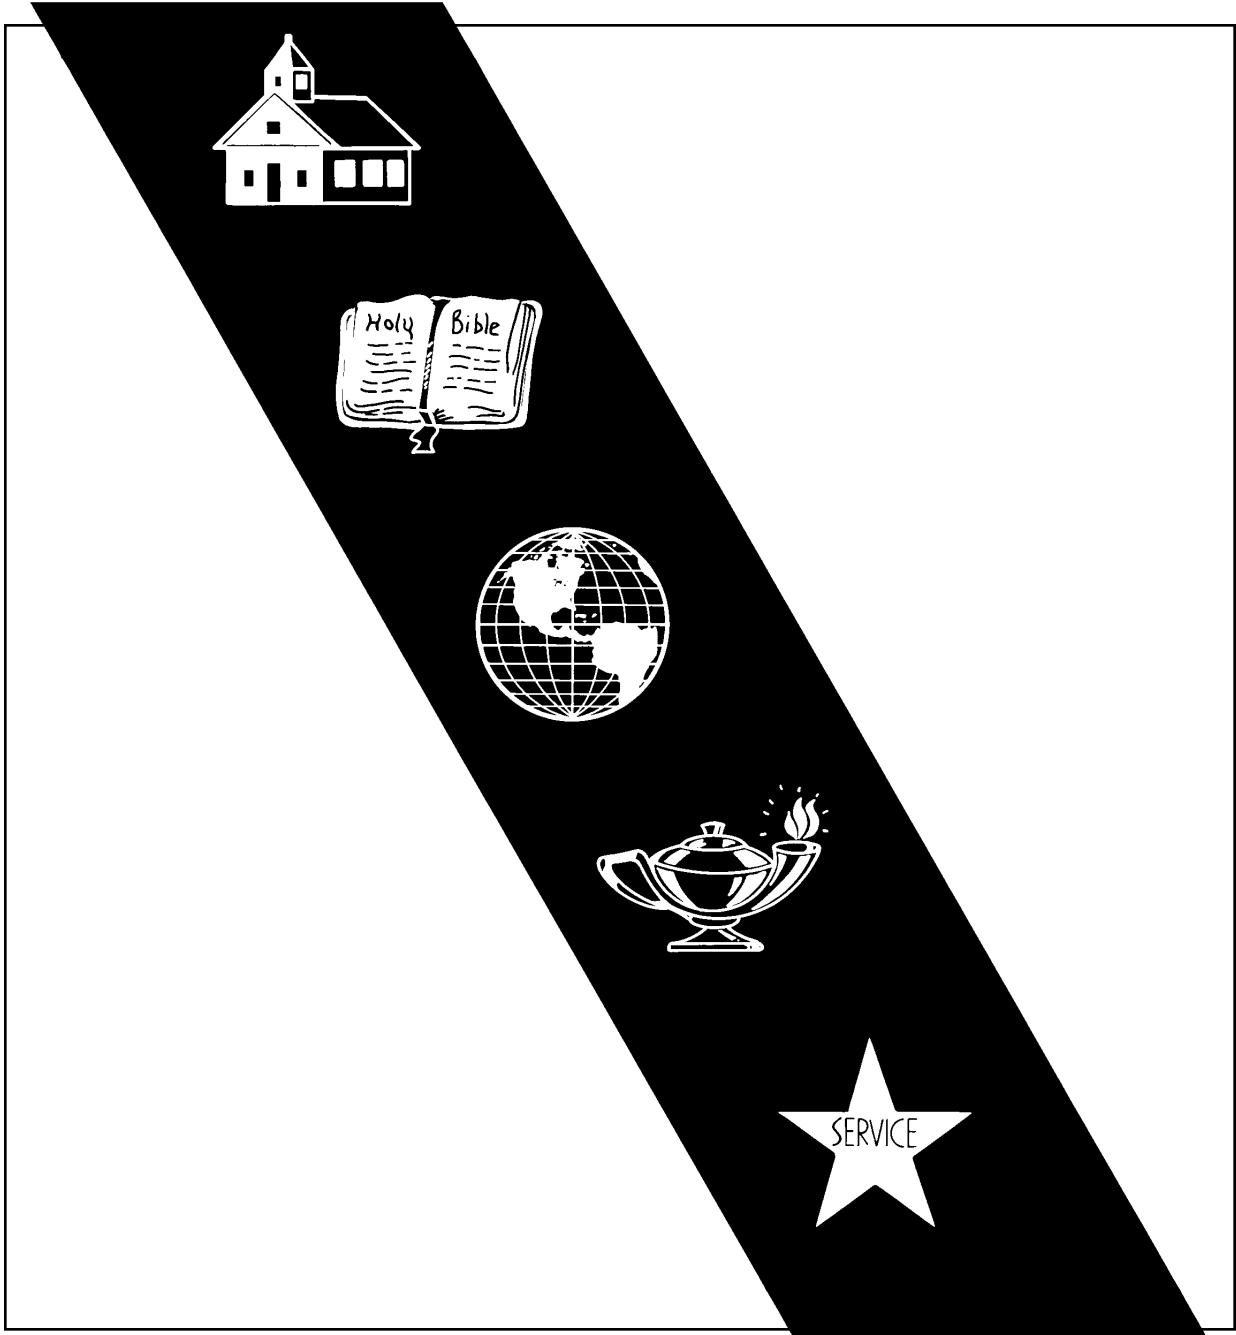

After completing the requirements in the *TYRO* area of advancement, you will receive a blue sash with these emblems on it. As each area of work is completed in each additional area of advancement, you will receive a star to attach to your sash. (See illustration.)

HOW TO USE THIS WORKBOOK

This workbook is designed to be used with *The Galilean Manual* (Baptist Publishing House). Practice work will be given to familiarize you with the material that will need to be learned to meet the requirements of each area of advancement.
