WELCOME TO THE GALILEANS!

It is great to have you as a part of the Galilean program. Get ready to work hard, but at the same time get ready to have a lot of fun. In the coming years as you progress through the areas of advancement of the Galilean program, you are going to have the opportunity to become a better follower of Christ and a better leader of others.

This project will require some effort on your part, but anything of real value in life requires some work.

Even now as you begin the program, set before yourself the goal of reaching the highest area of advancement — that of becoming an *Ambassador*.

I am glad to be able to help you in your journey through this program by preparing this workbook for you.

As you work for the next several years, you will be asked to memorize some materials and some scriptures. You will also be asked to read certain books and stories. My hope is that this workbook will help you in completing these tasks.

I know that the Lord will bless you for your labors.

HOW THE GALILEAN PROGRAM WORKS

Since you are now old enough to become a Galilean, you have a wonderful opportunity for growth in your spiritual life. But to grow spiritually there are certain things that are needed — just as there are certain things needed to grow physically.

We all know that if we are to grow physically we must have food, water, exercise, etc. If we are to grow spiritually we must have Bible study (spiritual food), prayer, personal service, and witnessing.

The Galilean program is set up to provide you with the study and service that can bring about spiritual growth.

As you go through the program, you will advance through six areas. After meeting the first set of requirements, you will be a *TYRO*. As you meet other requirements, you will become a *FELLOW*, a *FOLLOWER*, a *DISCIPLE*, a *HERALD*, and finally an *AMBASSADOR*. After completing the requirements to become an *AMBASSADOR* you will be eligible to become a *STEWARD*.

In each area of advancement you will be required to do some work in such areas as: the church, Bible study, missions, Christian witness, and personal service.

In each division of this workbook these areas of work will be indicated as follows:

THE CHURCH

BIBLE STUDY

MISSIONS

CHRISTIAN WITNESS

PERSONAL SERVICE

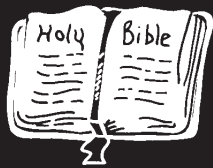

After completing the requirements in the *TYRO* area of advancement, you will receive a blue sash with these emblems on it. As each area of work is completed in each additional area of advancement, you will receive a star to attach to your sash. (See illustration.)

HOW TO USE THIS WORKBOOK

This workbook is designed to be used with *The Galilean Manual* (Baptist Publishing House). Practice work will be given to familiarize you with the material that will need to be learned to meet the requirements of each area of advancement.

TYRO

TYRO

Now that you are ready to take the first step in becoming a better “follower of Christ and leader of others,” begin completing the requirements that are listed on page 15 of *The Galilean Manual*, and complete the activities in this section of the workbook. (To help you keep a record of your progress, you may draw a star in the box at the right of each activity as you complete it.

Background

In 1830 a committee of three was appointed by the New Hampshire Baptist Convention to prepare a systematic statement of Baptist doctrine. The committee completed its work in 1831 and the document was studied and revised by another committee of four. In 1834, as the recommended statement of doctrine was sent out to the churches, Dr. J. Newton Brown, one of the four on the study committee, wrote an appendage to the statements. We call this appendage the Church Covenant.

The Church Covenant was intended to be the practical application of what Baptists believe. A covenant is “an agreement between people or groups of people.” Who would you say are the ones making an agreement by the Church Covenant? _____

Overview

The Church Covenant is made up of five paragraphs. Write the paragraph number beside the statement below that best describes each paragraph.

- _____ This paragraph tells us what we are to do if we leave our present church.
- _____ This paragraph tells us that we are to work to advance our church and support her ministry.
- _____ This paragraph tells us how we are to treat other church members.
- _____ This paragraph tells us how to behave at home and how to be a good example in the world.
- _____ This paragraph introduces the Covenant telling us the requirements for entering the Covenant.

Church Covenant

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Savior and, on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, in the presence of God and this assembly, most solemnly and joyfully enter into covenant with one another as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort; to promote her prosperity and spirituality; to sustain her worship, ordinances, discipline, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church, the relief of the poor, and the spread of the gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting, and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage; to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember one another in prayer; to aid one another in sickness and distress; to cultivate Christian sympathy in feeling and Christian courtesy in speech; to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we remove from this place, we will, as soon as possible, unite with some other church where we can carry out the spirit of this covenant and the principles of God's Word.

A Closer Look

Let's look closer at the Church Covenant by looking at each paragraph.

DOCTRINES OF THE BMAA

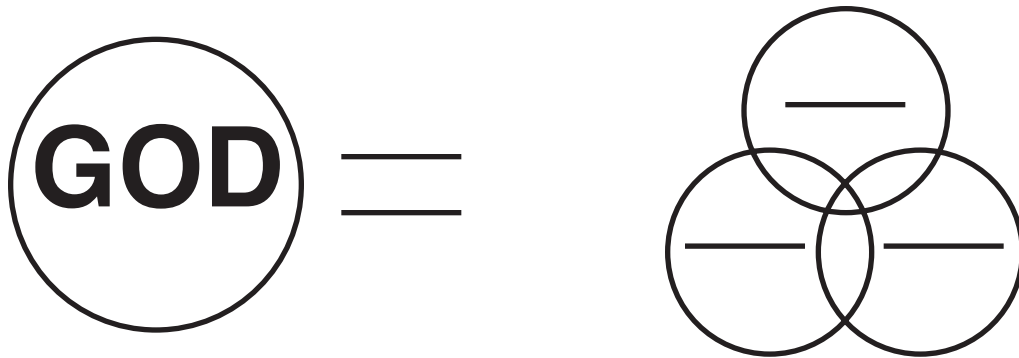

It is very important that each believer in Christ knows what he believes and why he believes it. This requires careful study of God's Word. We must be sure that what we believe is true and is based on His Word. We need to be able to tell others what we believe.

HERALD

HERALD

You are now a *DISCIPLE*. Congratulations. In reaching this area of advancement you have done something that some young men will never do. Some will not reach this level of advancement because they are not willing to pay the price. To make the level of *DISCIPLE* you have worked hard to memorize many scriptures, to read several books, and to complete many activities. You have paid the price that was necessary. Again, congratulations!

Even though you have done so well, you are still not to the goal of becoming an *AMBASSADOR*. But you are much closer than when you began. Only two more steps to the goal — becoming a *HERALD* and then an *AMBASSADOR*.

The requirements for becoming a *HERALD* are on pages 17-18 in your *Galilean Manual*. The activities in this section of the workbook will help you accomplish these requirements. You may keep a record of your progress by drawing a star in the box at the right of each activity as it is completed.
